Description:

Relax and take in the sights and sounds of a Hilton Head Island vacation under the oak trees in the rocking chairs at Bald Eagle 11. This spacious home is situated one row back from the ocean, on the beach path and centrally located in Sea Pines. It offers a split level layout, with ample living space both inside and out.

Entering the home, you are greeted with a Savannah Brick foyer. To the right is the main living area with lots of natural light, a comfortable conversation area and a 55-inch mounted flat screen TV. A dining room table sits to the rear of the living area and can accommodate eight comfortably; a sliding glass door that leads out to the back deck. The kitchen has a pass through window that opens to the living area and also has a breakfast table with seating for five. A small den is located off of the kitchen with a television and deck access.

The first master suite is located on the main floor. There is a king bed, a mounted flat screen TV, sliding doors to the patio, and an en suite. The master bath features double sinks, a jetted tub, and a walk in shower. Down just a few stairs you will find the game room, with a 55-inch mounted flat screen TV and a comfortable seating area. Challenge friends and family members to a game of foosball or ping pong!

Another master suite is located on the second level, with a king bed, flat screen TV, en suite and a private balcony; the bathroom features a walk in shower and soaking tub. The third level of the home is where you will find the remaining bedrooms. The first has two sets of twin bunk beds and flat screen TV. The bunk room connects to a king bedroom via a Jack-and-Jill bathroom with a tub/shower combination. The king bedroom has flat screen TV and a private balcony. The fifth bedroom has a queen bed, private balcony, en suite bathroom with a walk-in shower. The sixth bedroom has a queen bed, day bed, mounted television, and a private bath with a tub-shower combination.

The outdoor living space is just as relaxing as the indoor space. The pool is 10x30 feet with an attached Jacuzzi. The deck wraps around to the back of the home where you will find both a gas grill and a Savannah Brick charcoal grill. (seasonal heating available - fees/restrictions apply, please call office for details and to confirm. The garage is not available for guest parking as it has been converted into a game room.)

Sea Pines Resort: The largest and best known of the Island's vacation destinations, this 5,000-acre resort includes the Harbour Town Links of the RBC Heritage fame, as well as Hilton Head's iconic candy-striped lighthouse. Guided horseback rides with Lawton Stables Equestrian Center take guests into the 605-acre forest preserve, while the bustling marinas at South Beach and Harbour Town offer shopping, dolphin cruises, kayak rentals and sunset dinners. Sea Pines is bordered by both the Atlantic Ocean and the Calibogue Sound, providing miles of unspoiled beachfront access.
